

PJD Amplifiers Limited Lifetime Warranty – Terms and Conditions

Warranty

Your PJD Amplifier is covered by our limited lifetime warranty against manufacturing defects. The warranty applies to the original purchaser only and does not affect your statutory rights.

What this warranty covers

- Any defects resulting from faulty or improper manufacturing that arise during normal use.

What this warranty does not cover

- Any amplifier that was not purchased new from us or an authorised reseller.
- Fair wear and tear.
- Accidental damage or damage caused by improper care or misuse.
- Force majeure, such as floods and earthquakes.
- Any repair work not carried out by PJD Amplifiers.
- Valves (vacuum tubes).
- Shipping costs associated with returning goods for repair.

What we will do to correct problems

In the event that your amplifier is found to be defective due to faulty or improper manufacturing we will either repair or replace your amplifier at no cost to you.
